Mr Gradone,
Thanks a lot
for helping me this
year. Each time I
brought a problem
to you, you would
help me, but I'll
still be here next
year to haunt you.
Fred Woodlock

Listen all ye people, listen:

I'm the memory of a year at Newton High:

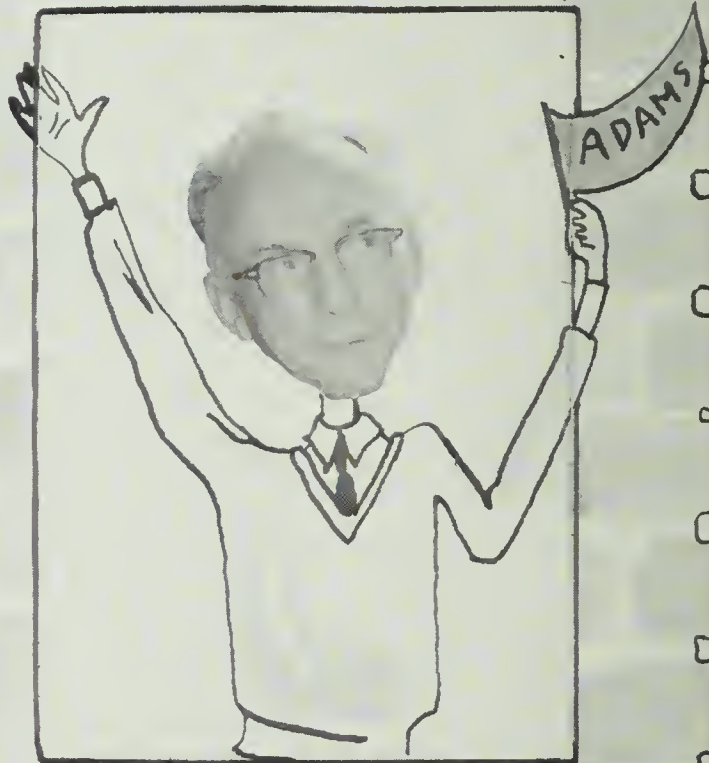

I'm the students and the teachers;

I'm the Houses and the bleachers:

I'm the labour and the smile:

I'm the spirit and the style;

I'm the memory of a wonderful year.

Handwritten notes in the top left corner, including "Testa Tosta" and "De Ruben".

Mr. Harold Howe, II
Principal

In 1956, Mr. Harold Howe, II become our principal; in 1960, he is leaving us. In these four years, by his open-mindedness, by his willingness to accept and implement new ideas, by his dedication, his ability, and his interest, Mr. Howe has earned the respect and admiration of everyone at Newton High School.

We are grateful for his contribution to the new courses, to the House Plan, and to the name of Newton High School and we thank him for these and all the other things he has done for us. But perhaps we can thank him best by saying to him sincerely: We are sorry to see you go, Sir.

FALL

THE MATCHMAKER

This year's senior play was Thornton Wilder's hilarious comedy about love and marriage, *The Matchmaker*. Presented on November 6th and 7th, 1959, it was directed by Miss Helen Ryan.

The cast, with stars Peggy Wells and Bob Gatti, was able to impart to the audience the full zest and spice of Wilder's humor, giving a performance that will be difficult to match in years to come.

"Horace, I never thought I'd hear you say a thing like that!"

"You're an impertinent, idiotic, killjoy!"

"I've brought you two girls in much the same condition"

Five desserts, please.

On December 6 the Class of 1960 held its first social event, the Senior Supper. This year's supper had its largest turnout with over 700 seniors attending. A delicious meal was followed by ballroom and square dancing, and student entertainment.

The success of this evening could not have been realized without the hard work of Miss South, and the Senior Class Committee.

FOOTBALL

Captains Courageous

The brains of the operation

Come on guys, I'm on your team.

All right, who's got the dice?

Now, coach, huh, huh?

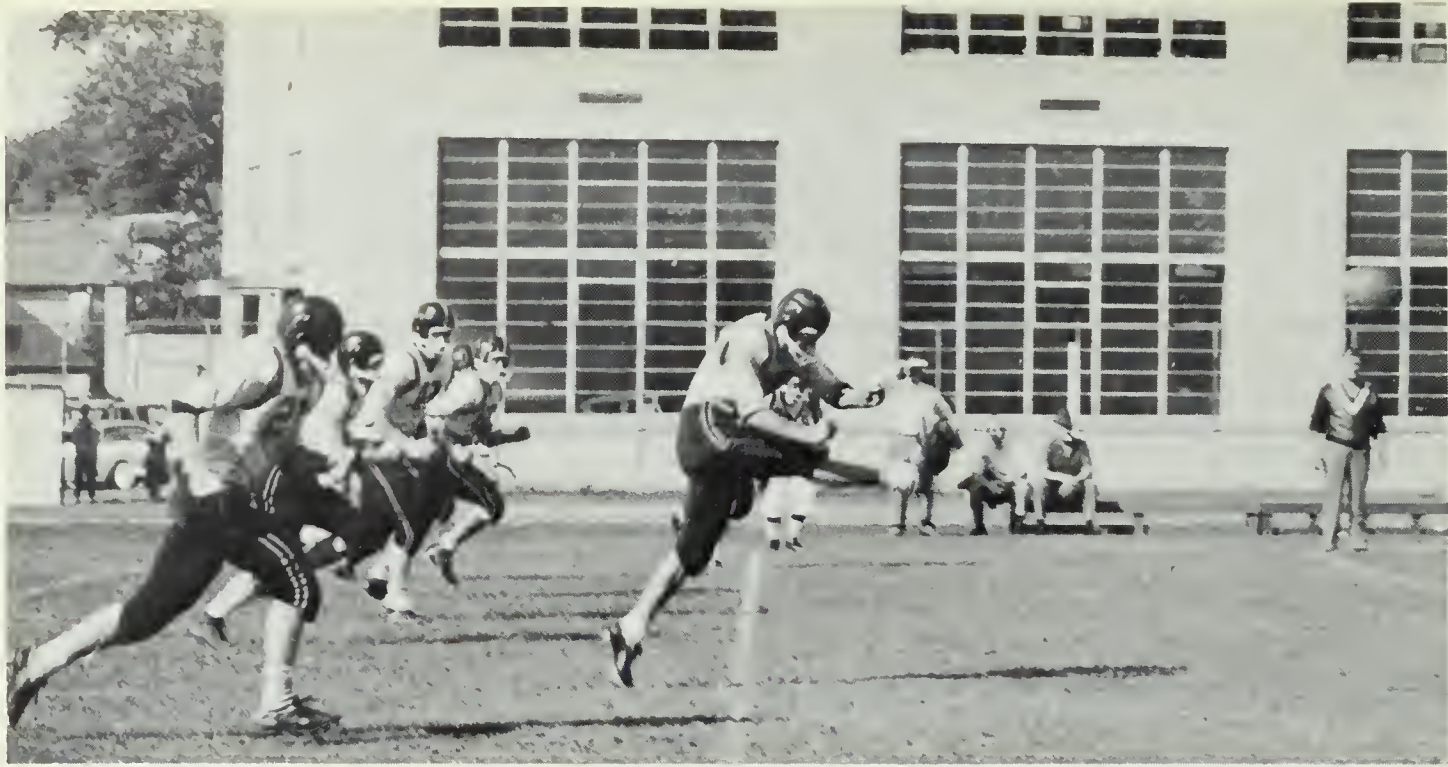

Fall, 1959, saw the last high school football team to represent all of Newton. The team itself had a .500 percentage; however, their record does not tell the true story. There were many fine football players, but little experience. As inexperience breeds mistakes, so fared the tigers. A new coach can often be a detriment to a team, but Mr. Malone did an excellent job in his first year as head coach. We wish him and the rest of his staff the best of success in the future. Outstanding players for Newton were: Co-captain Bill Southmayd, Bill Sellers, and Co-captain elect John O'Brien in the offensive line, Co-captain and leading scorer for the Tigers Dick Paaso, and leading ground-gainer Dave Connor in the backfield. The defensive unit was sparked by Ron Lawrence, Bill O'Donnell, Pete McKenney, Tony Lavelly, "Governor" Paul Guzzi, and Co-captain elect Fred Dalicandro. Best of luck to the members of this year's team, and to both of next year's teams.

CROSS COUNTRY TRACK

With captain-elect Dave Kent having left Newton High to attend a private school and Coach Richard Geist abroad in Europe, this year's cross country team found itself in an awkward situation. To compensate, senior track stand-out John Shaner was elected the new captain and Abner Bailey, the new coach.

The 1959 outing saw a rebuilding season in this highly unpublicized but colorful sport. Although success as a team was limited, Captain Shaner, Hinteregger, Tanner, and Vermeylea starred individually. In the annual State Meet at the conclusion of the regular season, all finished near the top. All indications for next year's team point to a highly successful and rewarding season.

Hawaii came to Newton High on February 20 when the Junior Prom took place. All the students were impressed by the imaginative decorations, and the fine music of the Carleton Society Orchestra.

Well, coach, what do I do now?

Although plagued by injuries and inexperience, this year's basketball team has done exceptionally well. Captain Al York missed part of the season due to an injured thumb and junior sensation Eddie Hootstein was out with a bad knee. Tommy Ryan kept Newton in the scoring column while Ronnie Lawrence and Bill Skornik kept it honest under the boards with some great rebounding. Inexperience also proved detrimental to the Poskittmen in that Captain York was the only varsity returnee from last year's team. With four Juniors on this year's twelve man squad and many promising J.V.'s, we look forward to next season and a possible Tech Tourney participant.

Neck and neck

The 1960 Boylermasters, scoring overwhelming victories in all five Metropolitan League meets and placing high in the Annual B.A.A. and State Meet classics, once again boast an outstanding season in track. Captain Ed Flowers was undefeated in league competition and finished a shade behind the leader in the State Meet 600-yard run. Top point-getters in each event were: Dick Carle, 50-yard dash; Ralph Guzzetti and Ed DeWolf, 300-yard run; Tucker and Corey, mile; Curtis, hurdles; Abrams, shot put; Cooper and Farina, high jump; and Carle, DeWolf, Guzzetti, Allen, Flowers in the relay.

In the B.A.A. meet, Newton scored only $6\frac{3}{4}$ points. Carle placed third in the 50; Abrams fourth in the shot put, Cooper and Farina tied for fourth in the high jump, and the relay team placed fifth. As a result, the boys finished fifth. In the important State Meet, however, the Boylermakers were more successful. Carle was second in the dash, Guzzetti placed fourth in the 300, Flowers was second in the 600, Cooper tied for first in the high jump, and the relay team finished third, for a total of 16 points and third place in the standings.

Coach Boyle has every right to be proud of his team. They succeeded in regaining the Metropolitan League title and in walloping arch-rival Rindge Technical by one of the biggest scores ever recorded in Newton-Rindge history.

HOCKEY

Dave saves again

This year's hockey team is vastly improved over those of past seasons. A tight defense, highlighted by co-captain Terry Reilly and Dave Connor, and spectacular goal tending by Dave Thompson kept Newton close to the top of the G.B.I. standings. Forwards Dennis Valley and Roger Urell shared the scoring honors but, without the cooperation of the entire team, a successful team would not have been possible. Coaches Phil O'Connell and Bob Gately have done a remarkable job and are to be congratulated along with the team for bringing this popular varsity sport to the High School.

Seventy-one years ago the distinguished show-business team of Gilbert and Sullivan wrote an operetta called *The Gondoliers*. On the 25th and 26th of March, this operetta was produced as the Newton High Spring Musical by an industrious group of director, dramatists and musicians. It was the first time that a Spring Musical had been presented since 1957 when *Connecticut Yankee* was performed.

NATIONAL HONOR SOCIETY

The Newton High Chapter of the National Honor Society comprises about 15% of the Senior Class and about 5% of the Junior Class. The students are chosen for their "character, service, leadership, and scholarship," and the names are announced in early April. Since most of the members of the society are quite busy and don't have much free time, the Newton High Chapter limits its activities during the year to ushering on certain occasions, acting as guides, and holding one big party sometime toward the end of the year.

BASEBALL

The 1960 Tigers are out to bring Newton and Coach Howard Ferguson another state championship. The team's hopes rest on the shoulders of veterans Dave Conner, Bill Boucher, and the Ryan boys, Tommy and Marty, and newcomers Gerry Marchand, Dave Fitts, Fred Delicandro, and Steve Sones. A major problem facing the Tigers this season is whether veteran pitcher Bob Beauregard, who turned in an outstanding performance last season, will recover from an ailing arm in time to help the squad. However, as in the past, Coaches Ferguson and Fraktman will probably overcome most of the problems, and Newton should have, at least, their usual successful season.

"Let's make it eleven straight Outdoor State Championships." This was the keynote to Coach Boyle's welcome speech to a squad of approximately fifty boys as the 1960 outdoor track team began practice sessions. Mr. Gallagher and a newcomer to the staff, Mr. Sutherland, will assist Coach Boyle with the team.

An early glance shows tremendous possibilities for the Tracksters to extend their coveted string of State Meet victories. Sprinters Dick Carle, Alvin Allen, Ed DeWolf, and Ralph Guzzetti have shown they can stay with the best. Ed Flowers, Indoor Track captain, will most likely compete in the quarter-mile. The distance events are well represented with the Hinteregger brothers, Corey, Tucker, Shaner, Tanner and Company. The high hurdles pose the greatest problem, but, in the lows, Peter McKenny and Arnie Lasker will provide the team with additional strength.

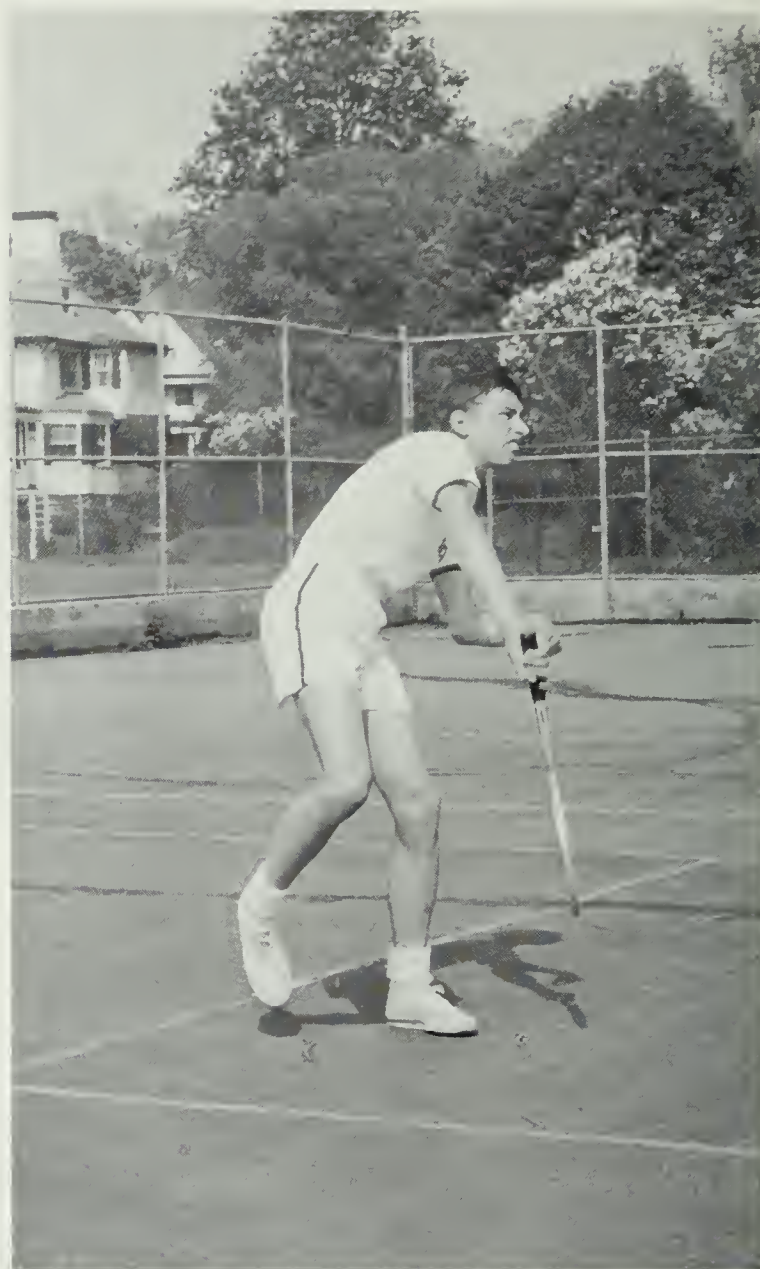

Turning to the field, State Champ and Captain Bill Wallace is back to toss the javelin along with Dick Howard and Peter Sahlin. John Borofsky and Ray Freiden are working at the shot put while Dick Abrams and Dick Berman are strong in the discus. Jay Lavelly and John Shaner are pole vault returnees and a host of promising boys are working at the high jump. Bob Sprague, Stan Liner and Alvin Allen show great potential in the broad jump.

It is still very early to tell, but the "Newtonian" Sports Staff predicts the usual highly successful season for the 1960 Outdoor Tracksters.

Perfect form

TENNIS

It wasn't that bad, was it?

With Senior returnees Phil Barry, Jay Alperin, and Dick Nesson, plus juniors Steve Hecht, Justin Francis, and Bob Greenberg, the tennis team should fare well this season. Finishing second in last year's State Championships, the Racketeers and Coach Poskitt are making preparations for another victorious season.

GOLF

As defending league champs, Coach Hall, Captain York, and Company have their work cut out for them this season. But with five varsity returnees and a host of others fighting for the last positions, it looks as though they will come through with another State Meet berth. Most of the boys have been out on the course and are in good shape. The "Newtonian" crosses its fingers and looks forward to this year's State Meet.

A TRIBUTE TO TECH HIGH

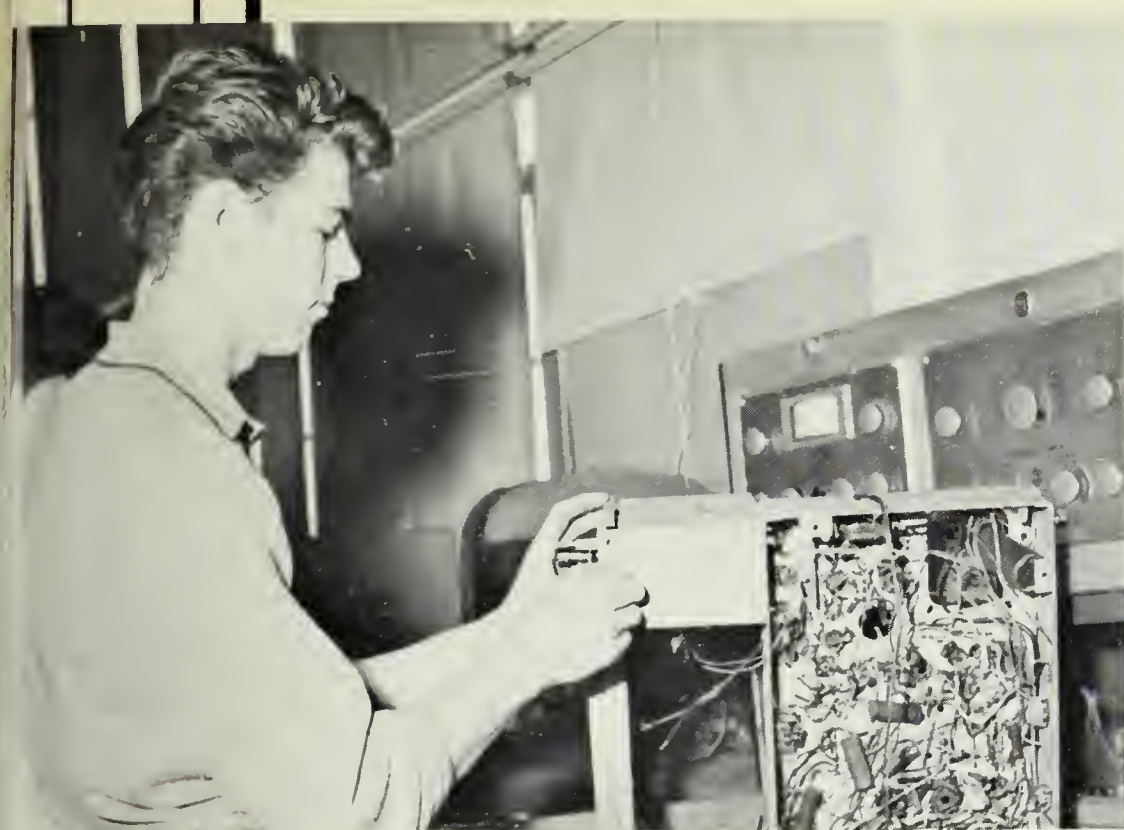

Mr. Switzer, Director of N.T.H.S.

By 1873, when Newton High School had been in existence for fourteen years, the high school had four major courses of study, one of which was the Technology Course.

In 1905, a commercial course was initiated, and three years later the Technical High School, Building Two, was erected. For many years the Tech High was under the direction of Mr. Palmer. The Tech High was soon divided, however; the Vocational High School, offering commercial courses was founded.

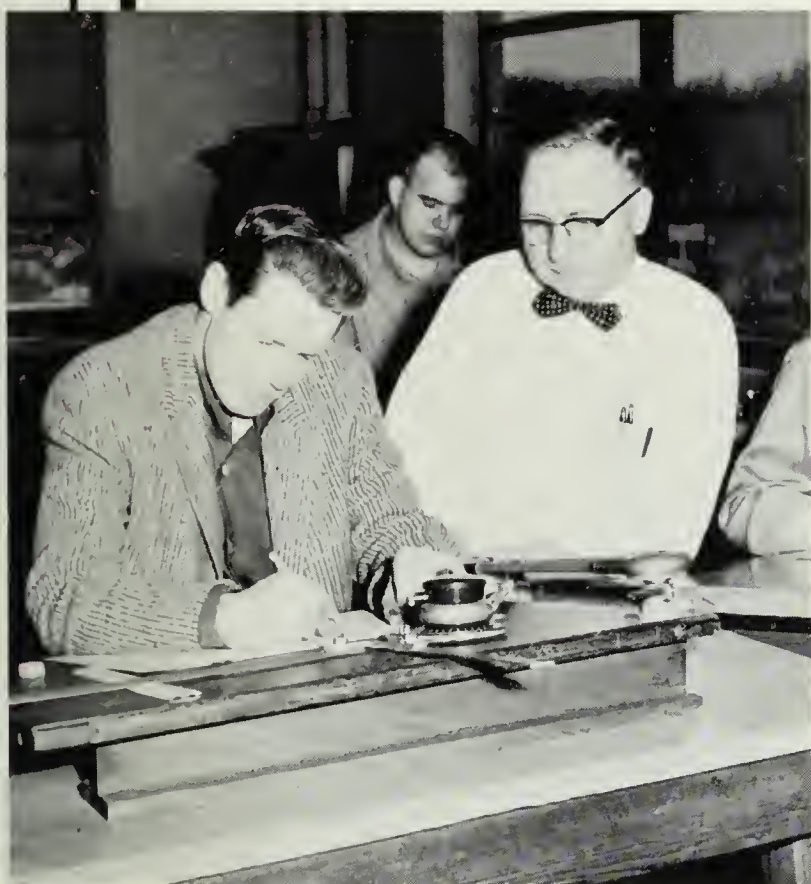

Today, the Newton Technical High School includes both the technical and the vocational aspects, and is under the able direction of Mr. Warren M. Switzer. The school is run entirely separately from Newton High, but the boys may take certain of the courses offered at the classical high.

Student concerts and visits by noted members of the musical world comprised the bulk of the monthly meetings. Under the supervision of Mr. Lasker, the Music Club in recent years has presented many famous persons, among them Richard Rogers and Toshiko. This year a modern jazz quartet led by Dizzy Sal, a protege of Dave Brubeck, appeared.

It is no wonder that Studio work is so outstanding, for its members are selected strictly on the basis of their talent. This year the French Club proved to be so popular, that there has been an overflow of members. How was this problem solved? Instead of just one French Club, Newton High has three! LATIN CLUB

"Quo usque abutere Catilina patienta nostra". Most members of the Latin Club are familiar with this opening line of Cicero's Catilinian Orations. Founded in 1945, the present Latin Club, under the leadership of Miss Jewett, has grown and developed into the large and active organization of today. The club presents lectures, movies, and other activities designed to quicken the student's interest in the language and culture he is studying.

BIOLOGY CLUB

One of our most active and enthusiastic clubs is the Chemistry Club. Students must pass a competitive examination to acquire membership. Because its members have a fundamental knowledge in Chemistry and a basic scientific curiosity, they go beyond classroom work and work on independent projects. The Chemistry Club provides added preparation for a most important field.

President: Joel Reingold

Advisors: Mr. Hall; Mr. Rist

CHEMISTRY CLUB

The Biology Club is representative of the natural sciences and affords the club members information not available to them in the classroom. This year its activities have included movies, guest speakers and field trips.

President: Ralph Cohen

Advisor: Dr. Navez

PHYSICS CLUB

The Physics Club, concerned with problems in the physical sciences not covered in the classroom, has many different types of meetings to promote the interest of its members. A movie on cosmic rays, experiments, and a speaker on electronic computers were a few of this year's activities.

RADIO CLUB

In a forgotten nook of the Building 2 basement, a group of students clusters about a black, rectangular instrument covered with bakelite switches and knobs. Suddenly there comes a burst of static followed by a voice calling "W1VEX to W1-SCW, come in please." A boy speaks up: "This is W1SCW to W1VEX, I read you loud and clear. Over." The Radio Club has started another day's shortwave broadcasting.

ALPHA GAMMA TAU

Alpha Gamma Tau provides the opportunity for students to further their interest in Mathematics. The club's activities include mathematical games, contests, and speakers. This year the members have made themselves available to other students for after-school help in Mathematics and many other students have profited by this graciousness.

"All right, it's time for the shootout. Take your places, men. Ready, aim, fire . . ." and another scene is immortalized by the avid shutterbugs of the N.H.S. Camera Club. This year has been an especially busy one for the club, with field trips to Sturbridge Village and the March Photography Contest.

CLASS WILL

We, the Class of 1960, will to the lowly underclassmen the following:

Soothing chimes as bells

Transparent partitions between the boys' and girls' gyms

Barcaloungers for extra-long assemblies

A sun-deck (complete with reflectors) on top of Building One

Electronic-eye door openers

A five-story parking garage

Wall-to-wall mirrors in the girls' rooms

Banishment of all blue, pink, and purple slips

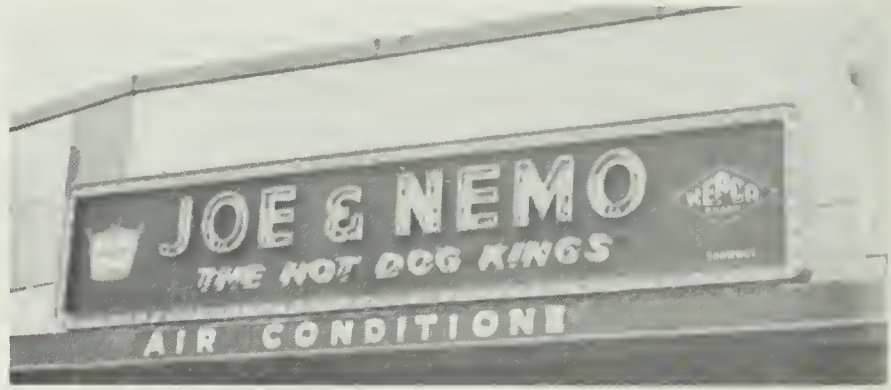

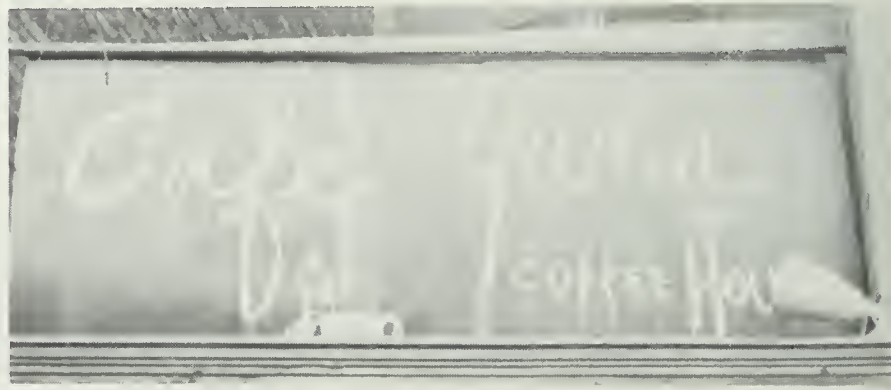

76 trombones for the band

First period studies for all students — that extra hour of sleep!

Two boys for every girl

Since, however, very few of these wishes shall come true, we, the Senior Class, will to you all the fun that now comprises our fond high school memories.

When you graduate it's wonderful to have a telephone job waiting for you. You'll love the friendly new people you meet. And you'll like the excellent salary, the regular increases, the opportunities for advancement and the many additional benefits that make working for the Telephone Company so attractive to so many young people.

Telephone jobs are important ones. We have our own training program which you can enter without any previous job experience.

Why not come and see our employment interviewer soon . . . before you graduate. Ask the Guidance Counselor at your school to tell you when and where to apply.
